Tilak Dave

I am a computer engineer with expertise in data structures, algorithms, and web development. I am proficient in Java and Python and interested in the decentralized web. I am always looking for ways to improve my skills and knowledge.

Internships

React Development at Entropy Solutions, Remote

September 2022 — November 2022

- Experience working on React front-end with Ruby on rails as the back-end
- Experience dealing with overseas clients

Event Management at BlueLearn, Remote

September 2021 — March 2022

- demonstrated my ability to collaborate effectively and contribute to high-performing teams.
- Set new records during week-long events.
- Took charge and organized various technical events, including hackathons, ideathons, and coding sprints.

Education

B. Tech. in Computer Engineering, Vishwakarma Institute of Technology, Pune, Pune

November 2022 — Present

Diploma in Computer Engineering, Government Polytechnic Pune, Pune

August 2019 — August 2022

- I achieved a score of 94.7%
- Developed projects in web development and technologies such as Java and C++.
- Served as the Computer & IT student association president in the final year.
- Received first prize in a singing competition at the annual gathering.

10th SSC, Hindu Dnyanpeeth Convent, Akola

June 2018 — July 2019

- Scored 96.20% in the 10th SSC exam
- Won numerous exhibitions, inter-school competitions, and Olympiads
- Received first prize in a state-level essay competition
- Ability to excel in both academic and creative endeavors
